Mission Statement

Kackaamin Family Development Centre is dedicated to a holistic approach to family healing and growth with the understanding that trauma leads to addictions. We believe every individual has the power of healing within themselves. Traditional Aboriginal Teachings empower our families to develop healthy relationships as they continue on their healing journey.

Intake

Clients must be referred by an alcohol and drug counselor, mental health counselor, or family counselor. The counselor must be able to provide post treatment care. Clients must have a minimum of 6 visits with a counselor and a completed intake package.
